International Psoriasis Network Founding Meeting
November 18, 2005 - Paris - France

Every 3 years in Paris

Since the place stays the same, the general rule is that the presidency should rotate from one national psoriasis group to another.

The profit from the congress will support the permanent secretariat (70%) and the national psoriasis club (30%) in charge of the organization of the international congress.

Administrative organization

>> Where will be held the next international congress on psoriasis (2010, 2013, etc.)?

2 solutions have been discussed:

1. Moving from one country to another in order to involve further each national psoriasis club. The choice of the country would be done by secret vote or according to his level of activity (the congress will take place in the country of the most active club).
2. Staying in Paris where the last congress was held.

Solution voted: staying in the same country (Paris) for convenience's reasons

>> Who will get the presidency?

2. The money back has to help the international secretariat.
3. The money back has to help both the club in charge of the organization of the congress and the international secretariat.
